PCSO Tracy Jones held a number cycling proficiency sessions at Furness Vale Primary School. The sessions help youngsters to develop observation and handling skills, introduce the Highway Code and teach the importance of cycle maintenance and hazard awareness. Youngsters at Taxal and Fernilee Out-of-School Club have also been taking part.

Our team continues to work with partner agencies to help resolve community concerns. More information about issues in your neighbourhood can be found overleaf.

We asked: What are the priorities in your neighbourhood?

You said: Anti-social behaviour near to The White Hart public house on Market Street, Whaley Bridge.

We did: Increased patrols and worked alongside the licensee to help them address issues. High fencing has been put up to help reduce noise nuisance during events, smoking areas have been moved away from the front of the building and door staff have been employed to cover busy times and help ensure that customers act responsibly and with respect for the wider community. We have noticed a reduction in the number of complaints from local residents.

You said: Anti-social behaviour near to the former Soldier Dick public house on Buxton Road, Furness Vale. This was set at our last meeting in October.

We will: Increased patrols and a number of youngsters have been advised about their behaviour. We hope to contact the brewery which owns the premises to look into potential security measures while the building remains unoccupied.

To find out more, if you have any concerns or would like to help set priorities for our team and partner organisations, please come along to our next meeting at 7pm on Wednesday, January 19 at The Mechanics Institute in Whaley Bridge. Alternatively, please contact us on the details provided below.

Sgt. Tim Barlow, PC Andy Crosthwaite, PCSO Tracy Jones, SC Sid Gill, SC Kerry Hall, SC Sally Whelan and SC Mark Ross.
