### Digging the Green Flag

The Whaley Bridge Canal Group welcomes volunteers to join to our maintenance sessions on the first Sundays of the month at 12 noon. We spend some time weeding, litter picking in the canal basin and down the towpath, cleaning the inside of the transhipment and unearthing some of the original railway lines around the basin. We'll supply gloves, hi-vis and all the equipment including biscuits, cake and drinks to keep our energy levels up!

We are also pleased to announce that the Peak Forest canal has been awarded the Green Flag Award for the second year running. The judges met up the group on the day M&S Buxton were planting shrubs in the basin. They would also welcome further donations of plants and shrubs.
