

Minutes WBNP SG Meeting No. 6; Monday, 11th February 2019

Venue: At Footsteps, Market Street at 6.45pm

Present: Carol Cade (Chairman), Eileen Burt (left early during Agenda Item 9), Jon Goldfinch, John Pritchard, Martin Thomas, Sally Kaill (arrived late during Agenda Item 9), Ken O'Boyle

- 1. Apologies for absence:** Debra Wilson.
- 2. Minutes of 5th Meeting held on 7th January 2018: AGREED** as a correct record.
- 3. Matters arising from minutes:** None.
- 4. Welcome to new members:** Unfortunately Debra Wilson was unwell.
- 5. Statement of Vision4Whaley:** The background is that the name of the WBNP had been agreed to be '**Vision4Whaley**' and that the SG wished to adopt a 'Statement' of its 'Vision'. Members are referred, for example, to the Vision Statement for the Biddulph Neighbourhood Plan (see Appendix 1) which had been tabled by Jo Bagnall (HPBC) at the previous meeting. Carol tabled the Vision Statements that members of the SG had suggested, and a report prepared by JG. After discussion, it was **AGREED** that CC would table a Vision Statement for adoption at the next meeting of the SG; this would be based upon JG's vision with an excerpt from the St Nicholas vision.
- 6. Name and Logo feedback:** There was a discussion about the design of a logo and about whether colours should be used or black and white. It was **AGREED** that CC would table a Logo for adoption at the next meeting of the SG; CC would ask Hannah Webb to work on the design preferred by the SG, but adding more inviting colours, and also to create versions for both print-based and web-based formats.
- 7. Feedback from Whaley Bridge Town Council:** None.
- 8. Consultation Strategy – Mailing to interested parties – Key Stakeholders:**
Carol has added the email addresses of those involved in the original WBNP to the Main email list and contacted them through the newsletter January 23rd.

It was **AGREED** that individuals from the SG should come up with ideas of how to raise awareness of the NP and how to involve local community groups, schools, and business.
- 9. Feedback from Theme Groups:** The four Theme Group Leaders are addressing themselves to:
 - considering why their area is important to the community
 - considering important issues and questions
 - strengthening the membership of their groups

- forward the 'personnel 'document' to interested persons requesting that these be completed and returned within a week.

JG reported that he had selected from the High Peak Local Plan those policies which were relevant to the Commerce Theme Group and looking at other NPs. JP reported that he was doing the same for the Countryside Theme Group.

JG presented a matrix he had worked on matching the High Peak Local Plan with the WBNP with a view to this keeping form policies.

10. Funding, Application Process (for Government Grant), Appointment of NP Consultant: There was further discussion about the method and cost of distribution of documentation to every household in the Neighbourhood Area, which is the every household in the wards of Fernilee, Furness Vale, Taxal and Yeadsley. A list of every street is available (see Appendix 2). It was noted that every household in the Neighbourhood Area has a postcode commencing 'SK23 7', BUT so do many hundreds of households in Chinley. It is estimated that the total number of households is less than, but approaching, 3,000. Issues for further consideration:

- should Royal Mail be used
- would a single distribution (of the questionnaire) to be every household be sufficient
- should households be positively encouraged to return completed questionnaires by email in order to save costs and (especially) to assist in the analysis of answers

After discussion, it was **AGREED** an annual licence in the name of WBTC should be opened (in order that VAT may be recovered) to use Survey Monkey (<https://www.surveymonkey.com/>). Our current licence will expire later in February.

It was **AGREED** that CC would train MT and EB about how MailChimp (<https://mailchimp.com/>) works and add this to Dropbox.

It was **AGREED** that CC would provide information about providing a QR link for mobile phones to access the survey (in the questionnaire).

It was **AGREED** that ALL would promote the NP amongst friends and think about ideas for a poster and a banner.

It was **AGREED** that CC would contact Chapel School

Several members met with Hannah Barter recently. Hannah is an experienced NP practitioner, who a Director of Urban Vision Enterprise CIC based at Leek. She has agreed to attend the next meeting of the SG on Monday, 4th March 2019.

11. Any other business: None.

12. Date of Next Meeting: This will be at 6.45pm at Footsteps, Market Street on **Thursday, 4th March 2019.**

The meeting closed at 9.40pm.
